WHEN A BALL BOUNCES...

ANGLES AND TURNS

Create your own Right-angle Eater and go on a hunt around your house to find right angles. Use the template below to design your character and remember that it can only eat perfect right angles, no acute or obtuse angles are allowed!

How many right angles can you find?

Here is a collection of Right-angle Eaters.
Can you design your own? Glue it onto some card,
cut it out and find lots of right angles for it to eat!
